748 AIR SERVICES CONDUCTS A 3 DAY HEALTH AWARENESS CAMP

As part of improving the welfare of the staff, 748 Air Services conducted a three day health awareness camp from 2nd - 4th November, 2016. The camp was organized by HR department in conjunction with our insurance health care provider CIC Insurance.

"Being the first camp that we have ever organized, the

turnout was exceptional." Said Esther Wainanina, HR Manager.

The camp provided different clinics for the staff such as, eye, dental, nutrition, cervical and prostate cancer checkup. The camp was also opened to other individuals based in Wilson Airport. The camp will be hosted on an annual basis.

748 DIRECTORS ARE TRAINED ON SMS BY LITSON & ASSOCIATES

On September, 2016, some 748 directors were trained on safety management system by Litson & Associates. The 5 day training was meant to equip the directors with the necessary skills required in ensuring safety is a

key priority that is adhered to. After the training, the directors were subjected to an examination in which they all excelled. The directors were also awarded with certificates. This is a clear indication the 748 Air Services strives to ensure safety and quality in all of its operations.

748 AIR SERVICES LANDS A CONTRACT TO OPERATE A DASH - 100 IN JUBA

748 Air Services is thrilled to have landed a 2 year contract with a humanitarian agency to operate its Dash-100 aircraft in Juba, South Sudan. Operations are set to begin on 14th January, 2017. This is a milestone for 748 as it is a clear indication that we strive to uphold our reputation of providing innovative air charter solutions depending on your needs and requirements. Indeed we go above and beyond!

748 OPERATES SCHEDULED FLIGHTS FOR JAMBO JET

In September, 2016, 748 Air Services began operating schedule flights for Jambo Jet Airlines. 748 had to undergo audits before being accepted as the company of choice. This ongoing partnership shows the versatility and reliability that 748 Air Services can provide to various types of customers and services required in the market place. We trust that this partnership will grow from strength to strength.

748 REGISTERS FOR A SECOND BARS AUDIT

748 Air Services has registered for second Basic Aviation Risk Standards (BARS) audit which is set to take place in March 2017. The date will mark a year since the last audit in which 748 was lauded as the first operator in Africa to have recorded the least number of findings for a first BARS audit. The BARS audit guarantees our commitment of becoming the safe and quality provider of choice to the humanitarian and natural resource sectors.
